Karavan Trailers are manufactured and protected under one or more of the following patents.
US Patent No. 5, 816, 616, 433, 352

BENEFITS OF THE SURE-LUBE SYSTEM STANDARD ON ALL AXLES

- Provides positive lubrication by eliminating air pockets in the hub cavity.
- Clean, easy maintenance, no disassembly required.
- Allows you to change grease in the hubs in just minutes by pumping the old grease out with new grease.

FEATURES

- Galvanized or Powder Coated
- Tubular Construction
- Fully Adjustable Bunk System
- Enclosed Wiring
- Submersible Tail Lights
- Dual Safety Chains
- Adjustable Winch Stand with Winch strap
- Keel Protectors (on singles)
- 2" Coupler
- Bent Crossmembers (on singles)

WARRANTY

The performance, workmanship and materials of these products are unconditionally guaranteed for 1 year when used for the purpose and under the conditions for which designed. The manufacturer will replace free any part found to be defective upon examination when such part is returned to manufacturer, transportation prepaid. All warranties, including tires, are void if trailer is loaded beyond capacity. Warranty on tires is covered by the tire manufacturer and all claims for adjustment should be made through nearest representative of tire manufacturer.

The description and specifications contained in this literature were in effect at the time it was approved for printing. The Karavan company reserves the right to discontinue models at any time, or to change specifications or design without notice and without incurring obligation.
